

ODF'26

15th International Conference on Optics-Photonics Design and Fabrication

Dates : June 3(Wed.)- 5(Fri.), 2026

Venue : Toyama International Conference Center

**Exhibition & Sponsorships
Opportunities**

Greeting

Masanobu Hasegawa
Chair, ODF'26 Organizing Committee
Canon Inc.

The 15th International Conference on Optics-Photonics Design and Fabrication (ODF'26) aims to explore future directions and promote the advancement of optical design, its manufacturing technologies, and related technical fields. This will be achieved by bringing together researchers and engineers from academia, industry, and government, both in Japan and abroad, to discuss and exchange information on the latest research and development results.

The Optics Design Group of the Optical Society of Japan, which organizes ODF, was established in 1993 with the goal of fostering interaction among researchers and engineers in Japan. Five years later, ODF was launched to further promote exchanges among researchers both domestically and internationally. Since then, the conference has been held every two years, either in Japan or overseas, and ODF'26 marks the 15th conference in this series. The scope of the conference is the same as in previous years:

- 1.Optical Design / Simulation / Fabrication
- 2.Optical Components / Devices
- 3.Optical Systems
- 4.New Technologies

ODF'26 will be held from Wednesday, June 3 to Friday, June 5, 2026, at Toyama International Conference Center. At the previous conference, ODF'24, held at the University of Arizona, there were 110 presentations, including 21 invited talks, from 10 countries such as the United States, Japan, and Taiwan, with a total of 153 participants. We expect a similar number of presentations and participants for ODF'26.

We sincerely hope that you will take this opportunity to exhibit at ODF'26, to present your products to the participants, and to engage in fruitful exchanges of information.

—SCOPE—

ODF'26 is an international Conference where researchers and engineers in the fields of optical and photonics design and manufacturing exchange ideas and present their achievements, fostering mutual development toward the future. The main themes are outlined below.

Category 1. Optical Design / Simulation / Fabrication

Lens Design, Lens Design Theory, Illumination Simulation, Non-imaging Optics Design, Freeform Optics, Simulation Software, Fabrication and Testing

Category 2. Optical Components / Devices

Laser, LED, OLED, Detector, Image sensor, DOE/HOE, Thin Film, Coating, Optical Waveguide, Optical Fiber, Integrated Optoelectronic Device, Active Optical Component, Optical MEMS, Photonic Crystal, Device Fabrication

Category 3. Optical Systems

Camera, Microscopy, Display, Projector, Optical Data Storage, Optical Lithography, Illumination Optics, 3D Image Acquisition, 3D Display, VR/AR, LiDAR, Automotive Optics, Biomedical Optics, Optofluidics, Optical Measurement, Optical Sensing, Spectroscopy

Category 4. New Technologies

AI Optics (Machine Learning, etc.), Computational Imaging and Sensing, Single pixel imaging, Digital Holography, CGH, Nonlinear Optics, Ultrafast Optics, Metamaterial, Plasmonics, Near-Field Optics, Quantum Optics, Nano Structures, Optical Cloaking, Other Future Technologies in Optical Design and Fabrication

Special Session

Future Optics-Photonics Highlighted at Japan's Expo 2025

—Conference Sponsor—

We offer a variety of cost-effective plans, including opportunities to participate in ODF'26. These plans are ideal for PR activities while also enabling valuable information gathering.

Application
 DEADLINE:
 May 15(Fri.),
 2026

Sponsorship Packages	Fee(Tax excl.)	Benefits				
		Banner Ad ^{※1}	Exhibition	Program(PDF) Ad ^{※2}	On-screen Advertising ^{※3}	Complimentary Conference registration ^{※4}
Diamond	400,000JPY	○	○	○	○	4
Platinum	250,000JPY	○	—	○	○	3
Gold	150,000JPY	○	—	○	—	2

※1 Placement locations are the same as those for banner advertisements.

※2 Program advertisements will be displayed starting with Diamond sponsors, followed by others in alphabetical order.

※3 Advertisements will be projected alternately with ODF guide slides.

※4 Banquet participation excluded.

—Exhibition—

Application
 DEADLINE:
 May 15(Fri.),
 2026

Dates: June 3(Wed.), 4(Thu.), 2026 10:00am- 5:00pm

June 5(Fri.), 2026 10:00am- 12:00pm

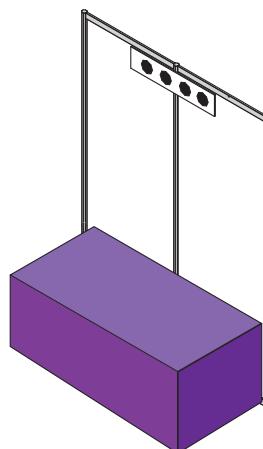

Venue: Toyama International Conference Center

Move-in & Installation: June 2(Tue.): 3:00pm – 6:00pm

Dismantling & Move-out: June 5(Fri.): 12:00pm – 3:00pm

1 Booth: 150,000JPY (Tax excl.)

[Benefit] One complimentary registration for ODF (banquet participation excluded).

Exhibition Booth includes

Back Panel : W1980×H2400mm
 [Including]

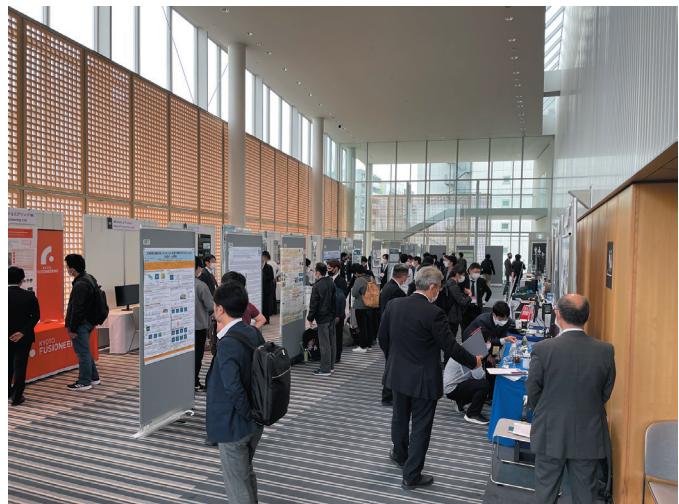

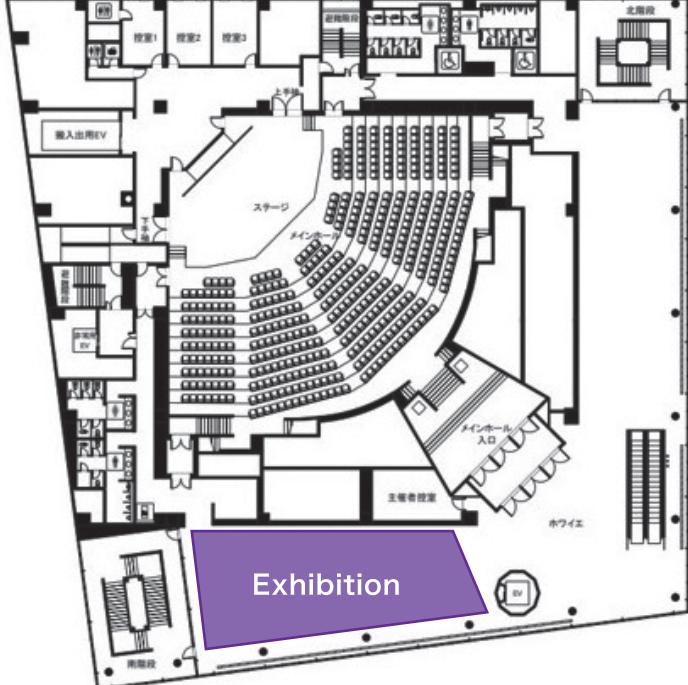

- ✓ Company Nameplate, 1Chair, 1desk
- ✓ Electricity available for PC

*For additional electrical capacity or optional item such as catalog stands and spotlights.

Other Options
 (Consult if you need unlisted options)
 LED Spotlights
 *including electrical wiring : 4,500JPY
 Brochure Stand (12 Holders): 7,500JPY

Exhibition Venue Map

- Coffee breaks will be provided in the exhibition hall.
- Located near the oral presentation venue.

Exhibition Venue Image

Program (PDF) Advertising

Advertisements can be placed in the conference program (PDF) distributed to all conference participants.

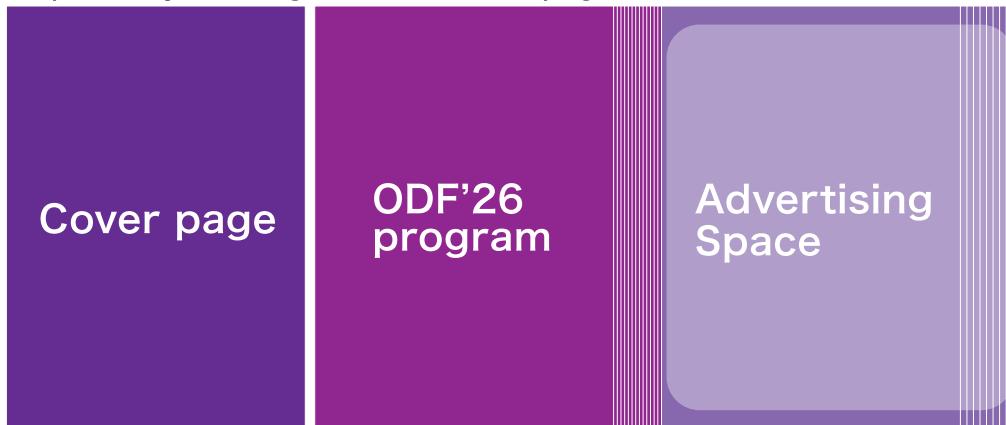

Application
DEADLINE:
May 15(Fri.),
2026

Ads Fee(Tax excl.)

Space & Color	Exhibitor	Standard
Back page(4 color)/ Placed sequentially from the page following the final page of the program text.	40,000JPY	80,000JPY

*Please prepare your ad copy in English.

The program is available only in PDF format and is displayed sequentially starting from the cover page.

Web banner Advertising

Banner advertisements can be displayed on the top page of the ODF'26 official website, which serves as the main gateway for conference participation, including registration and program access.

Application
DEADLINE:
May 15(Fri.),
2026

Ads Fee(Tax excl.)

Exhibitor : 50,000JPY

Standard: 80,000JPY

Display formats: Fixed

(Limited to 5 slots)

Size: W266x H100px

File formats: JPEG, PNG, GIF

Banner Ad Placement
Location

The screenshot shows the homepage of the '15th International Conference on Optics-Photonics Design and Fabrication' website. The header features the 'ODF '26 Toyama' logo and the conference title. Below the header is a navigation menu with links to 'HOME', 'Scope', 'Committees', 'Paper Submission', 'Registration & Accommodation', 'Conference Site', 'Exhibitors', 'Events', 'Technical Digest', and 'Contact'. To the right of the menu, there is a large image of a modern glass building, identified as the Toyama International Conference Center. Below the image, text reads: "ODF'26, Toyama" and "June 3rd-5th, 2026".
